I LEFT MY MARK @

Prototyze Pvt. Ltd.:

as a UI/UX & Presentation Designer

Prototyze an Incubator has 5 different startups underneath it with a variety of products. I worked on projects ranging from logo designing, marketing designs, social media design, branding, corporate Identity, posters, brochures, UI Designs for Mobiles (Android/ ios), Websites, Smart Watches (Android/ Apple). I have also designed investor, sales & quarterly presentations for all the incubated companies. Along with designing I was also handling a team and guiding other designers along with communicating and getting the designs properly developed with the developers.
